SS25 FOOTWEAR COLLECTION

Introduction

GAS is a brand with deep roots in Italian history, representing the world of denim and lifestyle since its birth in 1984. A story of style, simplicity and authenticity that is renewed and reinvigorated from season to season, in particular thanks to the new direction creativity of Gregoria Carmagnini, aimed at elevating its quality, its origins and its ever-present style to its strength.

With great enthusiasm, GAS announces its return to the world of sport with the launch of the GAS Sport line which will include future collaborations, sponsorships and capsule collections in support of this world, to which Gas has always felt strongly linked. The new line of footwear embodies the dynamic spirit and energy of sport, combining style and performance. Each model is designed to offer comfort and resistance, ideal for those who live at full speed.
